

This course is the second of three available internship courses that allows the student to receive advanced practical experience in his/her chosen career area in Marketing Management, Business Management and/or Restaurant Management. This internship is designed to offer students a customized experience. A training plan, outlining what will be learned, is jointly developed between the student, employer and the department site coordinator that is unique to each business internship site.

3

Lab Based

Civic Engagement and Social Responsibility - Students will be able to demonstrate the ability to engage in the social responsibilities expected of a community member.

Communication - Students will be able to demonstrate appropriate and effective interactions with others to achieve their personal, academic, and professional objectives.

Critical and Creative Thinking - Students will be able to demonstrate purposeful thinking with the goal of using a creative process for developing and building upon ideas and/or the goal of using a critical process for the analyzing and evaluating of ideas.

Cultural Competence - Students will be able to demonstrate an attitude of personal curiosity, a rising knowledge of cultures, and an evolving range of skills for living and working among others with other worldviews and ways of life.
