

**2. Identify Basic Symbols and Notation**

Learning Objectives

**3. Determine Tolerances**

Learning Objectives

**4. Explain Types of Machines**

Learning Objectives

**5. Apply Classes of Fit**

Learning Objectives

**6. Define Geometric Dimensioning and Tolerancing (GD&T)**

Learning Objectives

**7. Apply Layout Fundamentals**

Learning Objectives

**8. Demonstrate Semi-Precision Layout**

Learning Objectives

**9. Demonstrate Precision Layout**

Learning Objectives
