

South Central College

MULT 2295 Multimedia Technology Internship

Course Outcome Summary

Course Information

Description	This course is designed to provide the student with a purposeful occupational experience in the Multimedia Technology field. Each internship is an individualized experience. A plan is created for each student in conjunction with the training site to provide experience related to the skills and knowledge acquired in the program. This plan is based on the college's and the program's core competencies. One credit of Internship is equal to 48 hours. (Prerequisites: ART 140 Digital Photography 1 and ART 170 Video Production 1, OR instructor permission.)
Total Credits	4
Total Hours	192
