

Job Hazard Analysis

JHA Name: Dock Boards

Assessment Date: 04-27-18

Revision Date: _____

Building or Location: North Mankato & Faribault Campus

Department or Program: Maintenance

Description of Individual Tasks or Assignments: Transferring Materials Between Loading Docks and Semi-Trailers or Truck Vans(By Forklifts and Manual Pallet Jacks)

Tools, Equipment, or Machinery Used when Performing Task: Dock Boards (i.e., Dock Boards, Dock Plates, Dock Levelers), Forklifts, Manual/Motorized Pallet Jacks, Pallets

Note: "This JHA provides only the minimum PPE/safety requirements necessary to safely complete the task or assignment, and the JHA only covers the hazards or exposures that are most likely to be encountered. Nothing within this JHA bars or restricts personnel from requesting higher degrees of PPE or control to mitigate workplace hazards. In addition, South Central College personnel (e.g., employees and students) are required to complete any applicable safety or on-the-job trainings required prior to performing their positions or participating in their programs of study. Finally, South Central College personnel should consult their questions or concerns."

Certification: This document certifies a hazard assessment was conducted meeting the provisions specified under 29 CFR 1910.132 (d) and South Central College's related safety programs and policies.
